LEAGUE | TRADES | TEAM | SCORING | LEADERBOARDS | LM TOOLS

PLAYING TEAM	EXPLANATION	DEFAULT	VALUE
Number of teams per league	Total number of teams registered in your league. Your league must have this number of leagues filled prior to the match starts.	6	10
Below variables are changed based on your selection of no. of teams above! Purchase team combination rule to set your own combination.			
	Total Players per team	11	11
	Total Players playing in Fantasy team	11	11
	Total Players on Bench in Fantasy team	0	0
Maximum budget allowed to select players	This setting will set the maximum budget limit for all the league members to create their team.	100	100
Maximum No of Overseas plyers allowed	Maximum number of overseas players each league member can pick in their team.	4	4
Minimum No of Uncapped players to be selected	Minimum number of Uncapped players each league member must pick in their team.	NA	NA
Variable salary of players	If this model is selected then your player's salary will increase/decrease based on the performance of the players. Your overall budget will be also adjusted accordingly.	No	No
Auto swap bench players			
Do not allow auto swap	This setting will disable auto swap feature in your league.		
Auto swap by prioriry	Auto swap will happen based on the priority of your bench players.		
Auto swap by points	Auto swap will happen based on points scored by your bench players.		

Min	🏏	🏐	🎸	🥁
Min	3	3	1	1
Max	6	6	4	4

ADVANCE TEAM STRUCTURE	EXPLANATION	DEFAULT	VALUE
Pick real teams in fantasy team	This setting will allow team manager to pick the real teams in their fantasy team. For example India, Australia etc. Note: You can assign how many points will each real team score for winning the match. You can configure it on the "Scoring" tab.	No	No
Pick dummy players in fantasy team	This setting will allow team manager to pick the dummy players in their fantasy team. Note: This can be useful when you don't need each team manager to pick same number of players and you can fill the rest with dummy players. Dummy players will score no points.	No	No
No Of Player Sets	Choose how many sets of players you require for your league. Example: If selected 2, then each player will be duplicated. If you select 3 then each player will have total 3 copies of them.	1	1

PLAYER CUSTOMIZATION	EXPLANATION	DEFAULT	VALUE
Change player role / category / base bid value	You can modify player role / category / base bid value in this league.		
Change salary of the players	You can modify the salary of the players in this league.		

TEAM LOCK RULES	EXPLANATION	DEFAULT	VALUE
Player Lock Time in minutes (Before Match Time)	This feature allows League Managers to restrict Team Managers on updating their team players, X minutes before official pre-declared match start time. (Rain delays etc will not postpone the lock time).	30	30
Make opponent's team invisible			
No	If selected "No" then all changes will be visible to all the league members.		
Before match starts	Opponent's team and your team will be invisible to other managers, until the start of next match or round.		
Till match ends	Opponent's team and your team will be invisible to other managers, until the next match or round ends.		
Lock team changes			
Do not lock team changes			
If this setting is enabled then the users will not be able to make any changes to their team.			
Lock Team Changes Apply below settings to : Lock After the first match starts Starting Now			
Lock Trades	If this setting is enabled then the users cannot trade in new players in their squad or team		
Lock Team to Bench	If this setting is enabled then the users cannot interchange players from team to bench or bench to team.		
Lock C/VC	If this setting is enabled then the users will not be able to make any changes to their C-VC in their team.		

Schedule Unlock Timings:
League manager can choose to schedule unlock timings for the above chosen locking scenarios. Based on the schedule and configuration chosen, the league will be unlocked, and once this period expires the league will revert back to the original locking configuration.
Note: Once the League Manager has configured the unlock timings schedule, it wont be auto deleted if they keep modifying the team locking scenarios for this league.

TEAM SUBMISSION RULES	EXPLANATION	DEFAULT	VALUE
Enable Team submission in advance	Create 2 teams for 2 upcoming matches if trades set to a limited value. Create teams for all the matches in advance if trades set to unlimited. Edit each team until their respective start time. Helpful in odd time-zones and/or in busy schedule.	No	No
Lock the round/day after the first match starts (Team submit deadline)	If selected yes then the team changes will be locked after the first match of the round/day starts.	No	No
